Subject: RE: U&O FIP status

Elyana and Dee,

I think I have now gotten all of Kimi's latest edits/comments into the Sharepoint version, which was the version that was sent to OAR yesterday. I spoke with Mike Boydston yesterday and he mentioned he advised Rick Vetter to do a last concurrence review on the Sharepoint version, so hopefully that is what ultimately happens.

Thanks,

Claudia

Subject: U&O FIP status

Hi everyone –

Carissa, from the OAR Immediate Office, called to let me know that they have received the package and that it will shortly be going to Janet for her review — probably in her weekend reading package. I explained that while OGC has seen the document at various stages and had input, they have not concurred yet; that Rick is our primary OGC contact on this; and that we are hoping to get his comments, if any, on Monday.

I'm sending this email because I'll be out of the office on vacation next week and want to be sure everyone knows the status and points of contact.

- If anyone has non-legal questions for R8 about the FIP, I'd suggest reaching out to Dee Rothery (303-312-6431) first, and if Dee is not available, then to Claudia Smith (303-312-6520).
- If there are legal questions for R8, please contact Elyana Sutin (303-312-6899); Kimi and Kim have both reviewed the FIP too, but Elyana is probably in the best position to figure out who in our office can help field particular questions.
- R8: If you need to check in with OAR IO, Carissa's number is 202-564-5437.

Thanks Carissa and Rick for all of your work on this and assistance with the tight schedule.

Michael Boydston

Associate Regional Counsel, EPA Region 8
